

difficult to change the direction of sliding. Ski exercises teach the operation of skis for the skier (1) to stand on skis in a stable manner, and (2) to change the direction of sliding in a stable manner. "In a stable manner" means, simply, without falling down.

Acknowledgments

The author thanks prof. S.Ichino of Aichi University of Education for his valuable discussion. Thanks are also due to Mr. Kamihira in Honoki-daira Ski Area, Gifu Prefecture, for the experiment on snow.
